

TO Distribution DATE April 24, 1987  
FROM: Mark E. Besel  
SUBJECT: Upcoming FIT Work

US EPA RECORDS CENTER REGION 5

422300

On Wednesday April 22, 1987 Pat Petrella of Ecology & Environment relayed that they would be doing the following S.I. work in the coming weeks:

- 4/23 Treasure Island Landfill S.I. walkovers & interviews -  
Owens Illinois no sampling planned at this time
- 5/04 Gulf Oil , Toledo (Lucas Co) S.I. inclusive of sampling - 9:00 a.m. at site
- 5/12 &  
5/13 Systech, Franklin (Warren Co) S.I. inclusive of sampling
- 5/14 Shelby Co Landfill S.I. inclusive of sampling
- 5/14 Laidlaw Landfill (Hamilton Co) (We have asked for FIT assistance at the Hamilton Co site, not the Mercer Co site. I am trying to confirm at this time.)
- 5/19 Kittinger Trucking, Akron (Summit Co)

He noted they would try to confirm the dates, but I wanted to relay this notice. Feel free to contact Harley, me or Pat with any information or requests that you might have concerning the S.I.'s.

Thank You
